for excellence in human resources &
benefits technology solutions

A Solution for Employees and Employers

Easy Set-up • Looks Great • Powerful Employee Communication Tool

Advantages for Employers:

- Organizational tool helps recruit and retain the best employees by providing a professional employee benefits website.
- Eases enrollments and changes with a 24/7 resource for employees to access the information they need.
- Improves employee communication with unique aggregation of benefits and compensation information in a professional website.
- Increases employee satisfaction by simplifying benefits administration tasks.
- Increase employee knowledge of total compensation and understanding of benefits plans.

East Coast Benefit Plans offers a web-based system that communicates the content and value of benefit plans to employees. Streamline employee communication while providing your human resources department a way to improve effectiveness.

Key Features:

- **No Web Set-up**
We take care of it!
- **Consolidate All Benefits**
Not just single-source
- **Web-based**
No software to purchase and no maintenance issues
- **Security**
Web SSL 128-bit encryption with username and password access.
